

Doctoral Dissertation Support for Research in Child Abuse and Neglect Prevention

The National Quality Improvement Center on Early Childhood (QIC-EC) will award **\$25,000** for each of two years to advanced-level doctoral students conducting research on preventing the abuse and neglect of infants and young children (0-5) and promoting child and family well-being.

The application deadline is **June 9, 2010**.

Detailed information about the doctoral dissertation research support and application requirements are available on the QIC-EC website:

www.qic-ec.org

A pre-application webinar about this award will be held

March 4, 2010 * 3:00 – 4:30 EST.

Please register for the webinar via a link on the QIC-EC website.
